

Improve Teaching and Learning with High-quality Assessments

SchoolCity empowers districts and schools across the country with a powerful custom assessment solution, including assessment creation and administration, robust reporting, and student and teacher surveys.

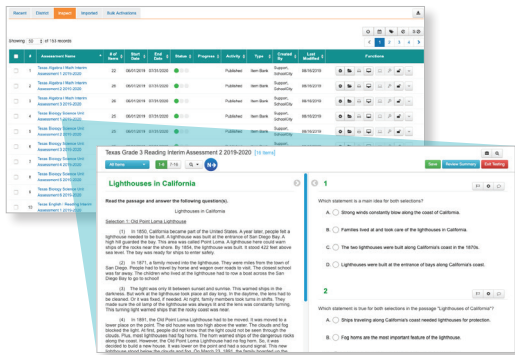

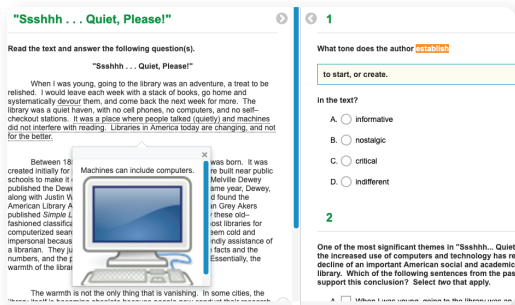

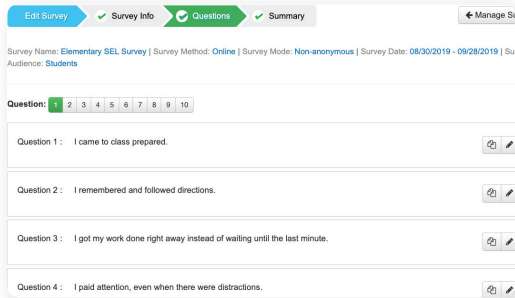

BENEFITS:

- ✔ **Quickly create online and paper-based assessments** from item banks or existing test documents
- ✔ **Promote equity** with custom accommodations profiles that travel with each student for every assessment

- ✔ **Empower students to take learning into their own hands** with an online student portal
- ✔ **Target disconnects in student learning** using reliable data at the standard and item level with immediate access to five predefined reports in one

How Does SchoolCity Help You?

Student ID	Last Name	First Name	Level/Text	Raw Score	% Correct	% Correct	RD (3)	TS
District Average				14.96	41.55%	34.69%	1.04	03.59
995185	Ambros-Morales	Aveli	Grade 6	18	50%	100%	3	06.48
995319	Bruyn	Alexis	Grade 6	18	50%	100%	3	06.48
995260	Chan	Dylan	Grade 6	23	63.89%	100%	3	04.24
995241	Corza	Luis	Grade 11	21	58.33%	100%	3	05.03
995223	De Latorre	Nestor	Grade 6	24	66.67%	100%	3	02.21

Whole Child Support

- Build Professional Learning Communities (PLCs) to collaborate on assessment creation and data analysis.
- Better understand school climate and social-emotional learning (SEL) needs with built-in surveys.
- Help students to own their learning journey with the ability to share feedback on standards mastery progression.

Accommodations

Enable students to take learning into their own hands by assigning custom accommodations to individual students.

- ✓ Text-to-Speech, multilingual support
- ✓ Google Translate
- ✓ Highlighter
- ✓ Line Reader
- ✓ Assessment author annotations

High-Quality Assessment Content

- Utilize pre-built assessments aligned to state standards, including comprehensives, interims, and cluster quizzes.
- Create custom assessments with the Inspect item bank, which includes 80,000+ items covering ELA, Math, NGSS and History.

Real-Time Reporting

- Actionable reporting dashboard
- Item, Objective and Standards analysis reports provide student learning insights
- Aggregated or disaggregated data based on user type
